

PRIVACY.POLICY

Dear Parent, in our efforts to maintaining trusting relationships, we respect your privacy and will protect important information acquired through our secure website. GSMIS will not reveal private information to unwanted third-party members. We offers a secure server, which will protect your credit card information and keep all transactions confidential. Also, we do not use cookies.

All of the information collected through the online application form will help us register your child successfully. Information such as your email address, name, phone number, child's personal information, etc will be kept secured in our portal. Every piece of information collected will help us gain knowledge on your child to help us better our customer service, process applications, and allow us to collect contact information. Furthermore, we will send e-mails to all registered families or prospective families who are interested in applying.

By using our site and filling out an application online, you consent to our websites privacy policy. Please feel free to contact us if you have any questions or concerns: GSMIS.Fuji20@gmail.com.

Thank you,
Good Shepherd Montessori International School team
